PROFILE

Nashreen is a detail orientated senior manager with over 10 years experience in adult social care services. She is highly experienced in undertaking assessments for care and support under the Care Act 2014 and can demonstrate an excellent knowledge of the Mental Capacity Act 2005, the Mental Health Act 1983 and other relevant legislation. Nashreen has been responsible for complex care casework which involved preparing reports for the Court of Protection and managing discharges to the community from the hospital setting. She is highly skilled in advocacy being able to communicate complex information to service users and work collaboratively with the NHS trusts and the Integrated Care Board.

Nashreen is currently the County Manager for Continuing Health Care and End of Life care where she is a senior lead ensuring compliance with legislation, national guidance and responsibilities of the Local Authority.

Nashreen is able to accept instructions from legal parties to provide eligibility reports to clients for CHC funding and can be instructed to review decisions made in respect of Continuing Health Care funding. As an experienced Social Worker with expertise in CHC funding, Nashreen is able to examine any assessments, reports and decisions to advise on a client's eligibility status. These reports can then be submitted to the appeals panel as an expert opinion in support the application and she will also able to attend the panel hearing/meeting if necessary. Nashreen also accepts instructions to undertake CHC checklists to help determine whether a case should proceed to the next stage (decision support tool) of the assessment process.
